The screenshot shows the Postman interface with the 'Body' tab selected. The URL bar displays 'http://20.244.56.144/evaluation-service/logs'. The 'Body' tab is active, and the 'raw' radio button is selected. The JSON payload is as follows:

```
2   "stack": "backend",
3   "level": "info",
4   "package": "middleware",
5   "message": "Logging using postman"
6
7 }
```
